

## 2021 Boys Indian / Wolverine Invitational Friday, May 7 and Saturday, May 8

Teams: Badger, Brookfield Academy, Cedarburg, DeForest, Madison La Follette, Mukwonago, Waterford, and Waukesha West.

Location: Mukwonago HS and Waukesha West HS.

Format: Each team will play 5 duals (2 on Friday and 3 on Saturday).

Scoring: We will play 2 out of 3 sets with a 10-point super tiebreaker in place of a full third set. In regards to determining the final rankings / tournament champion, every dual your team wins will result in 3 points being added to your team's total score. In addition, you get one point for every individual match won. For example, if Team A defeats Team B by a score of 5-2 then Team A would receive 8 points while Team B would receive 2 points. For time and space purposes, we will NOT be playing the #4 doubles spot.
