BADGER FOOTBALL CAMP

HIGH SCHOOL CAMP INFORMATION

Camp will now be conducted at Badger High School and NOT at UW-Whitewater as previously planned. We hope to return to an overnight setting in the future, but with all that has transpired over the last several months, we feel we can provide a safer sports atmosphere right here in our own back yard. In addition to the change in venue, the cost for camp has been reduced to \$50.

YOUTH CAMP INFORMATION

Our Youth Camp is designed for any athlete, entering 5th thru 8th grade, from any school in our district. The youth camp is designed as a jump start for your upcoming season. The High School Coaches, as well as varsity athletes from Badger High School, will work with our "future" Badgers! We will focus on position specific skill development, the basics of our offensive and defensive systems used at the high school, and developing our team culture.

Like the High School Camp, this is not a conditioning camp. Our goal is to give each athlete additional knowledge and to develop necessary skills that will help them in the upcoming season.

Youth football players should bring appropriate workout gear to camp, as well as football cleats, tennis shoes in case we need to go inside, a water bottle and a great attitude!!!
